

INDIVIDUAL DONORS

The Annual Report lists the names of donors who made contributions of \$250 or more between June 1, 1998, and May 31, 1999. The final results presented in the Annual Report reflect the funds received in 1998-99 rather than pledges made during this period.

For this reason, the names of donors who are on payroll deduction are listed in the giving category corresponding to the amount received by the University as of May 31, 1999 (Capital Campaign pledges will be recognized by special Capital Campaign media). We have also respected the decisions of donors who wish to remain anonymous.

DONS INDIVIDUELS

Le rapport annuel contient la liste des donateurs et donatrices dont la contribution totale entre le 1^{er} juin 1998 et le 31 mai 1999 a été de 250 dollars ou plus. Il y est fait état de l'argent comptant reçu pendant cette période et non des promesses de dons.

Pour cette raison, le nom des donateurs qui ont procédé par déductions à la source apparaît dans la catégorie correspondant au montant reçu par l'Université au 31 mai 1999. Nous avons également respecté le vœu d'anonymat exprimé par certaines personnes.
